HELPFUL SUGGESTIONS

1. When making your reservation, please inform the ride reservation agent of your special needs, such as whether you use any equipment or a service animal, require a Personal Care Attendant (PCA), or if you intend on having someone travel with you. You may bring up to two (2) companions with you, but each will have to pay \$1.85 each way unless one is your PCA (who rides for free).
2. Be ready by the curb at your scheduled pick-up time. The vehicle will wait only five (5) minutes past your scheduled pick-up time. If your ride arrives early, you do not have to board until your scheduled time.
3. Mobility has 30 minutes after your scheduled time to arrive. If Mobility is late, call 410-764-8181. When your call is answered, press 1, then 2, which will connect you with the Late Ride Agent.
4. The operator may only assist you in boarding and exiting the vehicle. Operators may not escort you into a building or carry your packages. Operators may only remove the packages from the vehicle at the curb.
5. Limit the number of packages or bags you take on board to two (2).
6. Present your Mobility Smart Card to the operator upon boarding.
7. The operator collects the fare before your trip begins. Exact fare (\$1.85) is required.

8. Prior to departing, your seat belt and/or other restraints/tie-downs must be fastened.
9. Verbal and/or physical abuse of the operator will not be tolerated. Riding privileges may be suspended for such behavior.
10. Eating, drinking, smoking, and playing audio/visual devices without earphones are not permitted.
11. Notify Mobility (410-764-8181, press 1, then 4) of any changes to your name, address, phone number, disability status, wheelchair use, service animal use, etc.
12. Safety is our #1 concern. Operators may not always be able to converse with you because of their driving duties.
